

General Information

Programs are offered weekdays from September to June, and start between 9 a.m. and 3 p.m. Some programs can be shortened to suit your requirements. All of the museum’s educators are experts in adjusting the content to your class.

Reserving your visit

Consult the list of programs and make your selection. Reserve as early as possible to avoid disappointment – we recommend a minimum of **one month in advance**.

School booking requests can be made through our [online form](#). You can also connect directly to our Customer Relations team:

By telephone 613-991-3053 or 1-866-442-4416

By email contact@IngeniumCanada.org

Confirmation of your scheduled program will be sent to you via e-mail. With the exception of self-guided visits, a representative from the education team will contact you prior to your visit to help you prepare for your visit and to discuss the needs of your students.

Free visit preview

Teachers are welcome to visit the museum free of charge by presenting proof of their teaching status.

Planning your visit

We strongly recommend the following minimum ratios for student supervision (by adults) when visiting the museum:

Level	Student-Adult Ratio
K to Grade 8	6 : 1
Preschool to Secondary Cycle 1	
Grades 9 and up	10 : 1
Secondary Cycle 2 and up	

Please remember that the museum is also a demonstration farm, complete with the miracle of new life and working machinery. Supervision during free time – or with an independent visit – is essential to creating a safe and fun atmosphere at the museum. Students and accompanying adults should also dress appropriately for farm and weather conditions.

Accompanying adults fee: \$1 per adult (excluding teachers)

Parking fees: \$3 per hour, \$8 daily maximum (free for buses)

The museum reserves the right to limit the number of extra accompanying adults. **Teachers and designated supervisors are expected to remain with their students at all times.**

How to find the museum

The Canada Agriculture and Food Museum is located on the Central Experimental Farm in Ottawa. The entrance to the museum parking lot is located on **Prince of Wales Drive, south of the traffic circle. All buses must use this entrance.**
