## CAREER OPPORTUNITIES:

Ingenium - Canada's Museums of Science and Innovation is currently seeking a dynamic individual to fill the position of:

### **SUMMER STUDENT EMPLOYMENT PROGRAM 2019**

#### **CAMP COUNSELLOR - CANADA AGRICULTURE AND FOOD MUSEUM**

<b>Reference Number:</b>	<b>2018/2019-CSTMC-129</b>	
<b>Salary Range:</b>	\$14.43 - \$16.49 per hour	<b>Level:</b> Student
<b>Employment Status:</b>	Student June 11, 2019 to August 26, 2019	
<b>Language Requirements:</b>	Bilingual --B/--B	
<b>Security Requirement:</b>	Enhanced reliability	
<b>Position Number:</b>		
<b>Branch:</b>	Canada Agriculture and Food Museum	
<b>Who can apply?</b>	College and University students and external candidates	

#### **Summary of Duties:**

The Day Camp Counsellor creates a fun and safe environment in which children are inspired and informed about agriculture and agricultural history at the Canada Agriculture and Food Museum. The Counsellor performs and interprets some of the daily activities on the farm (e.g. cow washing, grain grinding) for day campers and brings camp activities to life through songs, games, crafts and strong leadership skills.

The standard weekly hours are: variable for students

#### **Education and Experience:**

As an ideal candidate, you are a college or university student.

You also have previous interpretation, education or theatrical experience in museums, parks, tourism, schools and/or related fields. Also required is experience working with children. Farm experience and large animal handling experience are considered as assets.

The CSTMC is committed to the principles of employment equity.

Résumés received for this position will not be accepted after the indicated closing time (midnight) and date.

Each summer, Ingenium fills a variety of summer positions. You must follow the instructions below carefully in order to ensure the admissibility of your candidacy. You must submit a separate résumé for each individual position you wish to be considered for.

**Please note that only candidates who are selected for the next stage of this selection process will be contacted.**

### **STUDENT APPLICATION GUIDELINES:**

Each summer, Ingenium fills a variety of student positions. You must follow the instructions below carefully in order to ensure the admissibility of your application.

1. You must submit a separate application for each individual position you wish to be considered for.
2. Submit a cover letter.  
*Your cover letter will be used as the primary screening tool; it must showcase your strengths, expertise and your interest in the position adequately, and it must include the following:*
  - The job title and reference number to which you are applying;
  - The number of years of post-secondary study you will have completed by April 2019 and the program of study in which you are enrolled;
  - Applicants must be returning to full time studies in the fall of 2019;
  - Your fluency in the use of both official languages (English and French);
3. Submit an updated version of your résumé and cover letter;
4. Email your cover letter and résumé to: [competition@ingeniumcanada.org](mailto:competition@ingeniumcanada.org)
5. The subject line of your email must contain the reference number and position title to which you are applying;
6. Applicants must be returning to full-time studies in the fall of 2019.

If you are interested in this opportunity, please forward your cover letter and curriculum vitae indicating the reference number **2018/2019-CSTMC-129** in your email's Subject line, no later than the closing date to: **[competition@ingeniumcanada.org](mailto:competition@ingeniumcanada.org)**

**Posting Date:** December 17, 2018

**Closing Date:** January 13, 2019
