Peach Frozen Yogurt

Ingredients

4 cups (1L) frozen sliced peaches
¼ cup (60 ml) honey
1 tbsp (15 ml) lemon juice
1 cup (250 ml) vanilla yogurt

Preparation

In a food processor, puree the frozen peaches with the honey and lemon juice. Add the vanilla yogurt and mix until smooth. Serve immediately for a softer texture or store in an airtight container and freeze until the frozen yogurt is firm, about 4 hours.

Enjoy!
